Nurturing happy and independent children for 35 years

With over 35 years of childcare experience, we know what activities children enjoy. We have finessed our curriculums to reflect modern teaching techniques whilst incorporating all our knowledge and experience. From messy play in the baby room to science experiments in preschool, our children always have the chance to learn through play. At Hopscotch children learn, play and smile every day and caring for children is at the heart of everything we do.

Funding

We understand funding for childcare can be complicated! We want to help make things as simple as possible and support our families every step of the way. We have a wealth of knowledge about funding and will try to answer any questions you have.

Eligibility

Working Family Funding is available from the term after your child turns 9 months. Families can receive up to 15 hours of funded childcare for children 9 months+.

Universal Funding is available for all children from the term after your child's 3rd birthday up to 15 hours. Children 3 years+ may receive up to 30 hours funded childcare dependent on eligibility.

Please visit www.childcarechoices.gov.uk for more information and to understand more about the eligibility criteria.

The standard 15 or 30 hours funding is usually spread over 38 weeks of the year.

We stretch our funding to apply up to 12 or 24 hours funding over 47 weeks of the year.

This means it is applied more consistently over the course of the year.

Applying for Funding

To apply funding to your invoices, we need you to complete and sign a Parent Declaration Form. This will be submitted to the relevant Local Authority by us on your behalf.

This will be emailed to you by Hopscotch Head Office via Funding Loop.

Some families might also be entitled to funding for 2 year old children due to family circumstances.

Please speak to your nursery manager if you think this is the case and they will be able to advise on how to proceed.
